

Homeowner of the Month

Marlene Holland NEWPORT VALLEY TOWNHOMES

"When I was first introduced to Newport Valley Townhomes by Sales Agent Van Woody I immediately noticed the differences in quality. The attention to detail and craftsmanship stood out the most. But the real hardwood floors, the custom cabinets and all the upgraded features that were included at no additional cost really sold me. Thank you for the great service. I love my new home!"

John Maher Builders is now building in the Wade's Grove, Wakefield, Newport Crossing and Williams Park communities in beautiful Spring Hill with homes starting in the \$170's and townhomes starting in the \$140's.
